Weddings at George Washington Carver National Monument

If you are interested in getting married at George Washington Carver National Monument, the following information will be helpful in making your plans. A Special Use Permit (SUP) is required to hold a wedding within the park. Until a Special Use Permit is approved and issued, the requested date cannot be guaranteed. Follow the guidelines outlined below to ensure that your permit is in place in time for your special occasion.

Locations: Weddings are only permitted in the picnic area and the grounds around the picnic area of George Washington Carver National Monument (map of the area is attached). A visit to the park to view the area is highly recommended prior to finalizing your plans. The Special Use Permit does not allow your ceremony to restrict other park visitors from your chosen location nor does it guarantee you a specific site.

Permit Fees: A non-refundable application fee of \$50.00 is required to reserve a date on the park calendar and must be enclosed with your Special Use Permit Application Form. **A cashiers check, money order, or personal check must be made payable to the National Park Service with your Social Security Number or Tax Identification Number noted on your check.** Application fees are not refundable. Application Fees are not refundable. Amounts over \$1,000 must be in the form of a business or certified check.

National Park Service will charge a fee and recovery costs for special park use permits unless prohibited by law or executive order, or when the proposed use is protected by the First Amendment or involves another right and not a privilege. If administration of an SUP requires the park to incur additional costs, the Permittee will be assessed those costs in addition to application fee. Additional charges may be incurred for administrative services, overtime, repairing/restoring/cleaning resources, security, or similar costs associated with the event. Any additional costs will be required to be paid at the time of the issuance of the Special Use Permit. The Permittee shall pay the United States for any damage resulting from this use which would not reasonably be inherent in the use which the Permittee is authorized to make of the land described in this permit. Such damages would be billed to the Permittee after the event.

Applications: Complete the *Application for Special Use Permit (Form 10-930)*. Please review and sign the **Terms & Conditions** below and submit them with your permit application. These terms & conditions outline the specific requirements and restrictions of the permit. The permit application requires that you include either a tax ID number or social security number. This number is required by Federal Code 31 USC 7701c from a person or organization doing business with the Federal government and can be used to collect and/or report delinquent debt. Mail the completed application as well as the signed terms and conditions document and the application fee of \$50.00 to: George Washington Carver National Monument, Attn: Special Park Uses Coordinator, 5646 Carver Road, Diamond, MO 64840. Applications must be received at least two weeks prior to your requested date.

Permits: If your application is approved, a Special Use Permit will be prepared and mailed to you for signature. Upon receipt, please review, sign and return the permit along with any additional cost recovery fees to our office for the Superintendent's signature. After the Superintendent signs the permit, a copy of the permit as well as the signed terms and conditions packet will be forwarded to you. *The approved, signed permit copy must be in your possession at the time of your event.*
